Osteopathy

is a method of treating sickness with-
out the use of drugs, by expert mechani-
cal engineering of the diseased parts.
It asserts that the entire body will per-
form its natural functions, if mechanical freedom to act is given to its
muscles, blood vessels, nerves and flow of vital fluids.

Business Care Brings Nervous Wear

The petty cares of business life wear away nervous strength, and this ap-
plies as much to the clerk at the desk as to the manager in his luxurious office.
A thousand little details of duty requiring attention exhaust the nervous energy
and cause one to fret over trifling things that would not receive a second
thought under conditions of perfect health.

Nervous fretful persons of either sex are usually poorly nourished and in
all such cases the surest and quickest permanent relief is to be had by the use of

Stearns' Wine of Cod Liver Extract

which first quickens the appetite and aids the digestion and enriches the blood,
thus providing the tired nerves with the nourishment they need. This condi-
tion banishes the wakefulness that so many nervous people suffer from and per-
mits them to enjoy sound restful sleep. Get Stearns' Wine of Cod Liver Ex-
tract at your chemist's—and be sure you get STEARNS'—the genuine.
